Sister, Brother, Mother Father--Sorry to be such a bother
 Please forgive my frequent calling--From the hole in which I'm falling
 Sister, Brother, Mother Father--Sorry to be such a bother

Ain't no hill that I can't climb--With every step I make it mine
 I keep my eyes upon the prize--Knock my problems down to size

Father Brother Sister Mother--I'll be here when the road gets rougher
 If it rains I'll stand and take it--Find my faith and I won't fake it
 Father Brother Sister Mother--I'll be here when the road gets rougher

Father, Mother, Brother, Sister--When I called I must've missed her
 I guess I'll do it on my own--I'm hanging up the telephone
 Father, Mother, Brother, Sister--When I called I must've missed her
