I start - ed plant - ing the first mo - ment I re - mem - ber
The earth was fer - tile the plants were grow - ing tal - ler

God sup - plied all I need
As they responded to my care

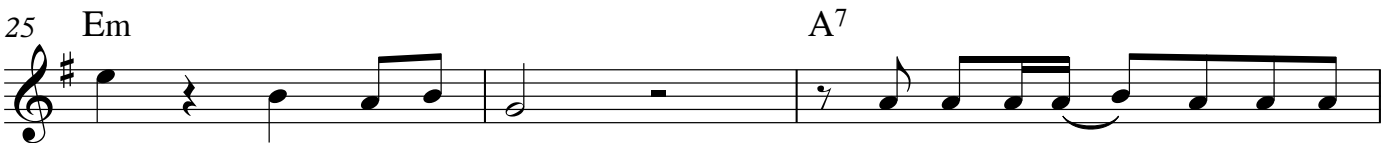

In ear - ly Ap - ril to the last of Sep - tem - ber I
Just like to - ma - toes, sprout - ing in the hol - ler

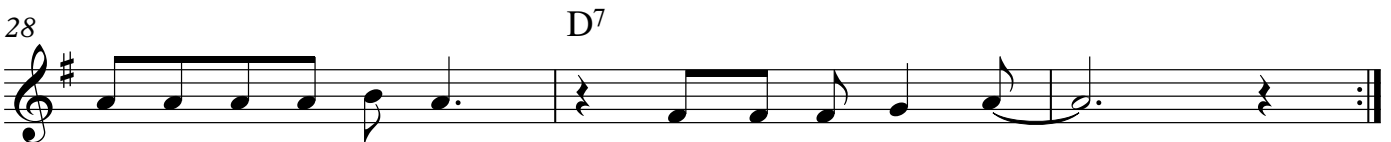

wa - tered each and ev' - ry seed
There were more than I could share

I watched the blos - soms as they be - gan bloom - ing as the
I have a bas - ket that seems to have no bot - tom I

bees hummed out a tune The sun was shin - ing as the
fill it to the verybrim Give it all to neigh - bors who are

fruit be - gan to ri - pen Toward the end of June
real - ly glad they got 'em, Then fill the basket up again!
