I will

let my light shine! Il - lum - i - nate the sky. I will let my light shine! Tell the

dark-ness good - bye — I will let my light shine! Show ev' - ry - one the way I will

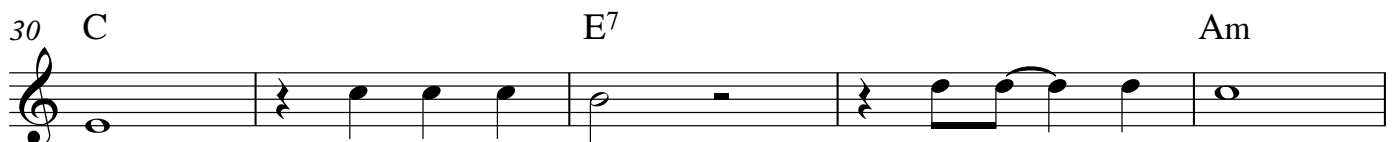

let my light shine like the sun greets the day!

When there is
If you've got
And so my

dark-ness trou-bles sto - ry	Turn on your light! Get out the cure is at an end	When some-thing's wrong There is no reason, this is the message	You make it You must en - I'm tryin' to
------------------------------------	---	---	---

right dure send	If there's des - pair 'Cuz we got heaven, We all have a light	Bring on your — smile! right here_ on earth Every boy_ and girl
