You'll have a life - time to share_____

**As I grew older, and learned a bit more
 I found that phrase could open the door
 So I built a family, one at a time,
 Together we all sing this rhyme**

**I see before me, a world that's in need
 I'll keep it growing, I will plant the seed
 I will spread all my goodness, give all that I can
 To every child, woman and man**
